## CAREER OBJECTIVE

To pursue a challenging career be a part of progressive organization that gives a scope to enhance my knowledge and utilizing my skills towards the growth of organization.

## PROJECTS

**“EXPERIMENTAL INVESTIGATION ON CONCRETE IN WHICH CEMENT IS REPLACED WITH COFFEE HUSK ASH.”**

In general, we use cement in construction of buildings, bridges etc. But cement emits CO<sub>2</sub> which is harmful for the environment. So, in this project we have tried to replace Cement with Coffee Husk Ash because it has similar chemical composition as of cement. From the results obtained we came for a conclusion that as curing days increases strength also increases same as of conventional concrete.
